PERSONAL HEARTSEASE ESSENCE

This level of the Heartsease is gifted to deal with **YOUR personal pain** – the things that only you know about, and is given to you from the Chrono herself.

The Chrono in her wisdom knew that each person reacts differently to everything in life. What is right for one person, may not be exactly right for some one else.

With the personal 'Heartsease', it deals with the pain that is hidden deep with in you, and frees you from the 'memory' of that pain as well.

If the Spirit is laden, and for ease of the Heart – 'Heartsease.'

One drop within the Feeling Centre every day will help keep the Pattern balanced, especially if used after accepting Healing work.

**THIS ESSENCE CAN ONLY BE USED ON
